So,
Ross' method
of using it
is wrong

and only can
draw out about
70% of its
power

The maker-kun
that Archimedes
made is the type
to be inserted
into a body

How was it again?

?

I think I've only explained it in the popularity poll and haven't explained in main story.

The explanation of insert-type and outside-type,

The reason Ross loses

- Using maker-kun with the wrong method

- Maker-kun just was activated

Well,
this is how
it is

So this is the simple explanation for those who only read the main story

WHY?
WHO KNOWS, HE WAS ALREADY THERE EVEN BEFORE DEZEMBER CAME TO THE CASTLE.
EVEN WHEN I HAD JUST GOTTEN THE JOB AT THE CASTLE, HE WAS ALREADY THE MINISTER.

WHAT... WHAT DO YOU MEAN...? WHY ARE YOU STILL IN CONTACT WITH DEZEMBER...?

Minister
I AM DEZEMBER'S SUBORDINATE.
WE SUSPECTED THAT EVEN IF YOUR HIGHNESS IS A FOOL,
YOUR HIGHNESS WOULD STILL REFUSE WHEN SOME DEMONS APPEAR AND SAY "LET'S REVIVE THE DEMON LORD,"
BECAUSE IT SEEMS TOO SUSPICIOUS, RIGHT?

SO MY JOB WAS TO GET IN TOUCH WITH YOU A FEW YEARS AGO,
AND GAIN YOUR TRUST.

Minister
AND AFTER THAT, EVERYTHING WENT VERY SMOOTHLY—
SO WHEN DEZEMBER CAME TO ASK YOU TO REVIVE THE DEMON LORD,
YOU CAME TO DISCUSS IT WITH ME.
